Our News

- **Math:** We have just finished a unit on multiplication and will now be starting a unit on division.
- **PBL:** We were very fortunate to have several guest speakers over the past few weeks to help us learn about the branches of the government. Judge Philip McNulty visited us to share about the judicial branch of the government. He brought a robe, wig and gavel for the kids to try on and he even passed out Halloween candy. We had a visit from Representative Faith Winter and Senator Kerry Donovan. They taught us about the Legislative branch of the government by doing a simulation of how a bill becomes a law. Representative Winter also told us about a new bill she will be proposing which deals directly with our PBL.
- **CHECK IT OUT!** We are excited to present our new website that can be accessed from the Witt homepage. Look for information on our schedule, policies, PBL updates and more. You'll also see great pictures of our wonderful students. Enjoy!
- **Thank you!** We want to thank all of the parents who attended conferences the past few weeks. It was nice to meet so many of you and have the opportunity to discuss your child. Thanks for taking the time to join us in the partnership of education.
- **Halloween Party:** We want to thank everyone who donated items or came to help during the party. The kids had a wonderful time! We currently do not have anyone to plan the Valentine's Party so if that is something you would like to do, please contact either Mrs. Destree or Mrs. Smith.
- Thank you to all of the parents who led a group for our Two Ponds field trip. We are thankful for your time and help. This trip would not have been possible without you!
